# Why Victress Beauty Academy

# V Our Ambitions

01

At Victress Beauty Academy, we are driven to shape the next generation of industry leaders in semi-permanent makeup across India.

02

As pioneers in India's PMU industry, we are dedicated to raising standards and redefining beauty with innovation and expertise

03

Our curriculum is designed to empower artists with the skills and techniques essential for a thriving and successful career.

04

We are passionate about building a legacy of empowered artists who elevate the PMU industry with confidence and creativity.

I joined the extensive 9 days course in Delhi recently .can't believe I learned the skills which seemed so difficult but after I got the opportunity to try my hands on live models ,it seemed everything was falling in place for me and I saw a boost in my confidence !it was totally an awesome experience to have got trained by the very best Abhishek and Khushboo.,they are both are superb .can't wait to start my journey soon
